

## **REMARKS**

In response to the Notice mailed on June 27, 2008, Applicant submits the following amendments address all requirements made in the notice.

### **I. Amendment to the Specification**

The amendment to paragraph [0170] corrects a minor grammatical error in that the sentence does not end in a period. No new matter is added.

The amendment adding paragraph [0171.1] supplies the description of figures 85A, 85B and 85C as required by the Notice. The additional text is supported by paragraph [0624]. No new matter is added.

### **II. Correction of Inventorship**

A correction of inventorship is requested because due to the amendments during prosecution, the claimed inventions of inventor Alan Huang were cancelled. Therefore, Applicants request inventor Alan Huang be deleted.

### **CONCLUSION**

In view of the foregoing, it is respectfully submitted that the requirements of the Notice mailed on June 27 are met. The Examiner is respectfully requested to contact the undersigned by telephone at the below listed telephone number, in order to expedite resolution of any issues, if any comments, questions, or suggestions arise in connection with the present application.

Applicant believes that this response is filed timely within the period set as the longer of a 30 day period or period remaining until the issue fee is due. Furthermore, a fee under 1.17(i) submitted as required for the request for correction of inventorship.

Respectfully submitted,

July 25, 2008
